

Asset Recovery Service Guide

Quasynergy helps eligible claimants identify and pursue potential claims through administrative review, research, and coordination.

We Research. We Recover. You Redeem.

Welcome

If you are reading this guide, there's a good chance you've discovered funds that may belong to your or your family. While this process can feel unfamiliar, you don't have to navigate it alone. We created this resource to answer questions, reduce uncertainty, and help you make informed decisions every step of the way.

We Research. We Recover. You Redeem.

Our Commitment

At Quasynergy LLC, we believe informed claimants make confident decisions. Every guide in this library is designed to educate, simplify the recovery process, and help you understand your options. Whether you choose to work with us or pursue your claim independently, our goal is to provide clear information with integrity, professionalism, and respect.

How It Works

Quasynergy LLC is building a premier claimant-centered advocacy, administration, and recovery platform utilizing our T.R.I.P. Principles:

- **T-Transparency:** clear expectations
- **R-Research:** claim eligibility
- **I-Integrity:** claim ethically handled
- **P-Partnership:** claim execution

Will you be making a trip to the bank and laughing at the same time?

5 Step Recovery Process

1. Schedule a consultation by booking a 30 minute Zoom Call.
2. Preliminary review will determine claim eligibility.
3. Documentation Review to determine the type of coordination required.
4. Strategy agreement for recovery options.
5. Claims process is on contingency. No upfront cost.

Research Principle

We conduct thorough, evidence-based research to verify eligibility and strengthen every claim.

Verification is due diligence.

Quasynergy will confirm ownership through validation prior to submission of claim.

We Research. We Recover. You Redeem.

Integrity Principle

Every claim is handled with honesty, confidentiality, professionalism, and ethical responsibility.

Quasynergy is Claimant-centered; Process-driven; and Results-conscious.

Compliance with State unclaimed property laws ensures ethical standards.

Success Takes Partnership

We work together—with you and, when appropriate, with legal counsel and other professionals—to pursue the best possible outcome for your claim.

Confidentiality is subjective to our profession. Each partner receives information on a need-to-know basis.

Results are not guaranteed, vary by claim, and are not typical.

Thank you for entrusting Quasynergy LLC with your claim.

Your Journey Matters

Whether you're just beginning your search or nearing the end of your recovery, remember that understanding the process is one of the most valuable steps you can take. Knowledge builds confidence, and confidence empowers informed decisions.

Thank you for allowing Quasynergy LLC to be apart of your journey.
